## HAPPY NEW YEAR!

"I would like to share with you a story I heard a few years ago! At a New Year's Eve party it was suggested that each person write a letter to himself, outlining the things he honestly expected the new year to bring. The letters were written, filed away, and not opened until the end of the year.

"On the next New Year's Eve the group met again to open the letters. One of them had died, but his widow brought his message. They opened it first. Its contents were surprising.

"It read, 'I will be 60 years old in April. None of the men in my family have survived beyond the age of 60. I have my affairs in order and, under the circumstances, I am prepared for whatever comes.' He died three months after signing the letter. The other communications were opened and read, revealing that each person's expectations had come true.

"What are you looking for in 2018? Do you have great plans for the new year? Remember, your expectations will have much to do with what the year will bring. Jesus said, 'Everything will happen as you have believed,' Matthew 8:13."
