But if we walk in the light, as He is in the light, we have fellowship with one another ....

1 John 1:7 NIV

August 2020

Church Family,

I've endured some challenging hiking trips in my life. I remember one 5-mile backpacking trip to a lake which was more than my group bargained for. Setting out on the trip we soon found that the majority of it was through switchbacks. Back and forth and back and forth we ascended the mountain. It got to the point where we began to second guess ourselves. Maybe we were on the wrong path?

One of my good friends decided to remove his backpack and run up the trail to see if we were near. To our relief, he came back over a ridge telling us we were very close!

We have a friend in Jesus, who has led the way. He has told us His Kingdom is near. We are facing challenging and frustrating times, but God says this: "He who endures to the end shall be saved." Brothers and sisters, especially in these times we must hang on to Jesus. Trust in Him. Endure!

Pastor Nate
