Hellman's Vacation				Hellmans on Vacation May 27 to 31		

But if we walk in
the light, as He is in
the light, we have
fellowship with one
another

1 John 1:7 NIV

Church Family,

The human body is a remarkable network of systems and organs. As a biological miracle, God has fearfully and wonderfully created each one of us to live, function, thrive, and fulfill His purposes. When all of the body is functioning well, we call that reality “health.” When one of those vital parts of our body isn’t functioning well, we call it “disease” or even “failure.”

When it comes to the Gladstone Park church body, God’s will is that “we are to grow up in every way into Him who is the head, into Christ, from Whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love.” (Ephesians 4:15-16)

What a picture of health! And it requires each of us working together for growth and vitality to carry out mission. Consider this month how you can serve the Lord as an active part of the church body. Please fill out the Ministry Involvement Survey either on our church website, or with a hard copy provided in the church foyer. God bless you!

Pastor Nate

Community Impact Day Sunday, May 23

Join us Sunday, May 23, to make sandwiches and sack lunches to take to the homeless. More information will be shared soon.
