Gladstone Park Family Districts

"Now all who believed were together..." Acts 2:44

In an effort to strengthen our connection with one another, the Gladstone Park Church family has now been formed into districts based upon location. The purpose of these districts is to strengthen the body of Christ through connection, support, prayer, and looking out for one another's needs.

Each member of the district is encouraged to reach out to the other members of your district to check in regularly and connect.

Whenever we have growth in the church, new members and friends will be added to a respective district to be a part of a network of support near to where they live.

Districts also have a leader who will make *initial* calls and reach out to new members, and will also be the point person to communicate any district needs to the broader church network. Pastor Nate will be in regular touch with your leader, to communicate any special church announcements to your district. **Be in touch with your district leader! He/she is your point person!**

You can strengthen your district by:

- Calling one another
- Praying for one another
- Supporting one another
- Forming small groups for discipleship and growth in your district.
- Running an errand for someone in need.

Thank you for being an integral part of the body of Christ!
