## BIBLE IN A YEAR

This reading plan will aid you in journeying through the bible to the point of reading it in full by the end of the year. Each day you will have a few chapters to read with the addition of a psalm. As much as possible take your time in your readings, praying through the scriptures while asking the Lord to speak to your heart directly. The psalm reading each day is provided for you to slowly pray through and make the words your own. If you fall behind in your reading, don't give up or allow yourself to be discouraged. Take the time to catch up as soon as possible. This is guaranteed to be a rich and rewarding experience!
